Kim Kardashian's Marriage Sam Riviere,2015-02-03 The 72 poems in Kim Kardashian's Marriage mark out equally sharpened lines of public and private engagement Kim Kardashian's 2011 marriage lasted for 72 days and was seen by some as illustrative of celebrity life as a performance as spectacle Whatever the truth of this and Kardashian's own statements refute it Sam Riviere has used the furor as a point of ignition deploying terms from Kardashian's make up regimen to explore surfaces and self consciousness presentation and obfuscation His pursuit is toward a form of zero privacy akin perhaps to Kardashian's own life that eschews a dependence upon confessional modes of writing to explore what kind of meaning lies in impersonal methods of creation The poems have been produced by harvesting and manipulating the results of search engines to create a poetry of part collage part improvisation The effect is as refractive as it is reflective and disturbs the slant on biography through a bricolage of recycled and cross referenced language until we are left with a pixellation of the first person **Kim Kardashian** Sean Smith,2017-08-15 The definitive biography of the world's number one reality star Kim Kardashian West the savvy entrepreneur and fashion forward woman who has defined fame for today's generation from the

After Life Alice Marie Johnson,2019-05-21 Foreword by Kim Kardashian West The true life story of the woman whose life sentence for non violent drug trafficking was commuted by President Donald Trump thanks to the efforts of Kim Kardashian West an inspiring memoir of faith hope mercy and gratitude How do you hold on to hope after more than twenty years of imprisonment For Alice Marie Johnson the answer lies with God For years Alice lived a normal life without a criminal record she was a manager at FedEx a wife and a mother But after an emotionally and financially tumultuous period in her life left her with few options she turned to crime as a way to pay off her mounting debts Convicted in 1996 for her nonviolent involvement in a Memphis cocaine trafficking organization Alice received a life sentence under the mandatory sentencing

laws of the time Locked behind bars Alice looked to God Eventually becoming an ordained minister she relied on her faith to sustain hope over more than two decades until 2018 when the president commuted her sentence at the behest of Kim Kardashian West who had taken up Alice s cause In this honest faith driven memoir Alice explains how she held on to hope and gave it to others from becoming a playwright to mentoring her fellow prisoners She reveals how Christianity and her unshakeable belief in God helped her persevere and inspired her to share her faith in a video that would go viral and come to the attention of celebrities who were moved to action Today Alice is an icon for the prison reform movement and a humble servant who embraces gratitude and God for her freedom In this powerful book she recalls all of the firsts she has experienced through her activism and provides an authentic portrait of the crisis that is mass incarceration Linking social justice to spiritual faith she makes a persuasive and poignant argument for justice that transcends tribal politics Her story is a beacon in the darkness of despair reminding us of the power of redemption and the importance of making second chances count After Life features 16 pages of color photographs

The Secrets of My Life Caitlyn Jenner,2017-04-25 In this remarkable memoir former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ community Imagine denying your core and soul Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete Bruce Jenner the celebrated Olympic icon and later the patriarch of one of the most famous families in the world seemed to be living a dream life of success fame and prosperity But the all American image and million dollar smile belied a lifelong struggle with gender dysphoria and it wasn t until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired and through the memorable Vanity Fair piece by Buzz Bissinger that Caitlyn Jenner was introduced to the world and set free to exist on her own terms Since then Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing In The Secrets of My Life Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood She recounts her Olympic triumph her rise to fame and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and subsequently the relationships with her children She also talks candidly about her life in the public eye as a member of the Kardashian clan what led to her decision to become Caitlyn and how she her family the transgender community and the rest of the world has since embraced her new life Filled with incredibly personal and moving stories of struggle and victory of anxiety and fear and finally of surrender and acceptance The Secrets of My Life reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself
